EDITORIAL

Well another AGM is on its way so now is the time to think about what you can do to support the club. All committee positions will be declared vacant and a number of committee members have indicated they are taking a break from the role after a few years in the job.

So new blood is needed, if you can not attend the meeting put in your proxy form (to vote) and a nomination for the desired position or any position.

It has been a busy time since Christmas with plenty of club runs and car shows to attend. We have had the Coastal Cruise in February, Brookton Old Time Motor Show in March, Waroona OZ Car Day, Whiteman Park & Bakers Hill in April and the National Heritage Day in May.

Since the last newsletter we have had the sad news of the passing of another member with Peter Somers sur coming to his illness in February. Many would remember the club run, in June last year, that was held for Peter.

With less than 12 months to the EH All State Run in Mt Gambia South Australia it looks like the club will have a good representation, if we all make it, it will be the clubs best at an ASR. If you want to go, there may still be places available, check with the organisers.

NEWS

Whiteman Park Classic Car Show - April

Unfortunately I was unable to attend but a short report from Vera follows.

We had 10 club vehicles & members attend, meeting at Beechboro and convoying to Whiteman Park. A large crowd passed through all day, one of the biggest seen. It looks as if the move from March to April, to get better weather (not as hot as March can be), worked.

Coastal Cruise - February

After meeting at the Royal Street car park it was off for a drive through the Poly Pipe and up the freeway to the northern suburbs. This was the first freeway drive for Robs EJ and it managed to keep up. Glen was keeping the traffic behind with a good smoke screen from the breather.

Off the freeway at Burns Beach Road, then down to Ocean Reef Road (& others) for a cruise down the coast admiring the view. Stopping for coffee & cake in the back streets of Fremantle and then over to Captain Munchies, a road side hamburger joint, for lunch. Good food and plenty of parking it was a popular spot for car enthusiasts to pull up.

After a casual meal it was time to set off home. Another good run with fine weather and good organisation.

Van Nationals - Easter

Over Easter the 37th Van Nationals were held in Pinjarra, John Nolan was successful taking out 5 trophies. Being, Best Medium Size Van, Best Engine & Drive line, Best Paint, Best Display and Runner Up Overall Van (lost top spot on a count back) Well done to John.

BROOKTON OLD TIME SHOW

Well a good weekend put together by the organisers, there was something for every one young or old. The facilities were clean, the food was good and the entertainment varied.

The club had about 13 vehicles on display and there was a few hundred others from military to bikes. There was a large crowd through out the day.

For those staying over night there was a couple of bands playing later on and the bar was open, although it did close early after an altercation between a couple of punters. Most of the club spent the evening huddled under the marques sheltering from the occasional rain shower.

After a bit of sleep we woke to a fine morning, the BBQ was fired up & the kettle put on. After a filling breakfast it was time to pack up and head home.

WHATS ON

JUNE:

AGM and Concessional Check - Sunday 24th

Vintage & Veteran Car Club Hale Road Wattle Grove

That time of the year again to have your say in the running of the club and put your hand up to do some of the jobs.

Concessional checks for eligible 404 vehicles from 10am, lunch from 12 noon and the AGM starts at 2pm.

So bring along your car, BBQ apron and get together with other club members.

November:

GM Owners Day 25th

Once again a must do for our calendar, it only comes around every 2nd year so get your vehicle ready for this day.

More events to be confirmed after the AGM.
